## Introduction

The Government have set up the Ukraine Sponsorship Scheme which allows Ukrainian nationals and their family members to come to the UK if they have a named sponsor under the Homes for Ukraine Scheme. Phase One of the scheme opened on 18 March for visa applications from Ukrainian applicants who have named people in the UK willing to sponsor them.

The Government has also set up the Ukraine Family scheme which allows Ukraine nationals and dependents to come to the UK to join family members.

Both schemes allow you to live, work and study in the UK and access public funds.

### School Admission

School Admissions in Reading is delivered by Brighter Futures for Children, on behalf of Reading Borough Council.

School Admissions can support you in applying for children who are already of school age and children due to start school for the first time in September 2022.

Family Information Services can offer impartial information, advice, and guidance service on admission into a Nursery or early-years setting.

If you have a child aged 16-18 (up to 25 years old for Special Educational Needs & Disabilities 'SEND' and care leavers) please contact Elevate, who can help provide impartial advice to support you into employment, education or training.

### How to apply for a school place?

Applications should be submitted by the parent/carer. If the application cannot be submitted by the parent/carer, written confirmation is required, from the parent/carer confirming they give authorisation for another person to be added as a contact on the application.

Applications can be submitted online via our website but if a paper application is required this can also be supplied.

The applications should be submitted after reviewing the relevant admission guide. Guides are available on our website.

Applications should only be submitted if you can provide the required supporting evidence.

The 'My Reading' Reading Council link allows you to check the catchment school for a Reading address. Not all addresses in Reading have a catchment school <http://my.reading.gov.uk/>

A list of Reading schools can be on the website at

Year 10	1/9/2006	-	31/8/2007	
Year 11	1/9/2005	-	31/8/2006	

### You should apply once you arrive in the UK.

Admission is not guaranteed at the preferred schools. If we are unable to offer a listed preference a divert school will be offered at the closest school with available space. This will be at the catchment school if it has available space or the closest school with available space.

Where possible, the School Admissions team will try and allocate siblings the same school.

The School Admissions team cannot guarantee admission at the school that the sponsors children attend or where other family members' children attend.

Some schools in Reading coordinate their own In-Year admission. You should still submit our application but must also complete the school's own application.

For information on schools with available spaces please email the **School Admissions** team.

### Admission to Primary school

Children born between 1 September 2017 and 31 August 2018 can join school, in Reception, for the first time from September 2022.

National Offer Day for on-time applications is 19 April 2022. As the deadline for on-time applications has passed you will need to submit a late application via our website.

<https://brighterfuturesforchildren.org/for-parents-carers/schools/primary-admissions/>

Late applications are processed monthly from May.

## Admission to Secondary school

Children born between 1 September 2010 and 31 August 2011 – or currently educated in Year Six – should start secondary school, Year 7 from September 2022.

National Offer Day for on-time application was 1 March and all applications received will be considered as late. You will need to submit a late application via our website.

## Questions

### **I do not have the required documents to support my application.**

Please do not apply yet. If you are unable to provide the required evidence, please email the school admissions team [Admissions@brighterfuturesforchildren.org](mailto:Admissions@brighterfuturesforchildren.org)

### **I am a sponsor and would like the guest child(ren) to attend the same school as my own children will that be considered?**

Where possible we will allocate a place at a same school/preferred school if it has available spaces. If a school is oversubscribed in the year group required an alternative school place will be offered.

Some schools consider siblings in their oversubscription criteria. In most cases, sibling is defined as *Brother or sister, half-brother or half-sister, adopted brother or sister, stepbrother or stepsister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.*

Therefore, host families' children are not classed as siblings

### **The school you have allocated is not my preferred school. Can my child still be considered for my preferred school?**

Yes, your child will automatically be added to the waiting list for all preferred schools that have been unable to offer a place.

### **I want my child to attend a lower year group, will they automatically be considered for the year group I want?**

No, children are always taught in the appropriate national curriculum year group for their age. If there are exceptional circumstances that have been identified by an educational professional and, in some circumstances a medical professional which confirms that it is in the child's best interest to place them in a different year group a request can be made for a child to be offset into a lower year group.

If you wish for your child to be considered in a different year group, please contact the School Admissions team before making an in-year application, they will send you the relevant information.

The appropriate admission authority is responsible for making the decision in the best interest of a child.

### **The school you have allocated is too far from my address, will you provide school transport?**

You can apply for free school transport if your nearest suitable school for your child/ren is not within walking distance of your home. Walking distance is:

- two miles for children under eight
- three miles for children between eight and 16 years old

You can also apply if you are on a low come.
