

My Name:

Miss Dooley

### What's important to me...

My family is always my top priority, I have recently become a grandma to a beautiful little girl. I can't wait to get up to a little bit of mischief making with her (but shhhh, don't tell the teachers that).

I really love it when people are honest, it's not always the easiest thing to do, but telling the truth always helps in the long run.

My two favourite things in the world are reading and drawing - if I'm not doing one, then I'm doing the other.

### What people like and admire about me...

I like to think that I have a good sense of humour and make people smile and laugh.

I try my best to be firm but fair and always try to

### How best to support me...

After I was quite poorly a little while ago, I find it difficult to walk as well as I used to. I have a cane (which I have named Harry) and this helps me everyday.

Just remember that there is nothing wrong with asking for help - we all need it from time to time - even grown ups.
