

My Name:

Elizabeth McCrum

## What people like and admire about me...

I think my friends and colleagues like that I am:

- hard working
- well organized
- reliable and loyal

But mostly I think people like:

- my cute dog

## What's important to me...

### • My Family

My children Edward (12  $\frac{3}{4}$ ) and Hugo (10), also my husband, mum, sisters, nieces and nephews and new baby great nieces!

My dog Monty, who is super cute and occasionally a bit grumpy (a bit like my children!).

### • Community

My role as a governor. I have been a governor for 15 years, 8 of those at Thameside. I have been Chair of Governors for 4 years. I love being part of the Thameside community.

My job. I work at the University which is another community I am really proud to be part of. I really enjoy my job. I get to work on our beautiful campus with lots of amazing (and very clever) people.

## How best to support me...

Everyday before they leave for school I ask my children to:

- work hard and
- be kind

because I think they are the two most important things in life.

But also:

- Always do your best
- Try the things that challenge you
- Don't give up
- Include everyone

And of course

- Be nice to my dog (and children!)
