

My Name:

Paul Cowley

What people like and admire about me...

I am a good listener.

My Dad jokes (maybe).

My Harry Potter character voices.

What's important to me...

My wife, our two children and our friends and family

Being part of the School community.

Honesty.

That people know what the Governors do and how they can reach out to us.

To keep learning new things.

That the Governors help to keep Thameside a place where people enjoy learning, working and teaching.

How best to support me...

By explaining what all the School acronyms mean!

Say hello and have a chat.

Give me time to reflect to understand new things.

Make sure I have a coffee before I start work.

Help me find whatever I have lost.
