## How We Work with Parents

Parents order from our website

Our aim is to ensure we always have stock of all uniform in. This requires constant monitoring and is no easy task, but we think we are pretty good at it. During the peak period of summer 2023, we had full availability of all stock up until August 23rd . Even after this date we remained at 94% and above until mid-September.

We recommend and encourage parents to order, ideally, by the end of July to ensure no issues arise, but we are not aware of any customer who ordered by the third week of August who did not receive their order in time for the new term. Not that we want to encourage late ordering of course!

We deliver orders to pupils' homes. We can also deliver orders placed by the school to your school.
