

Summer Holidays 2025: Thameside whole school project

We have been inspired by Street Artist 'Thank you X' and plan to create our own collaborative artwork in September. During the holidays, please decorate the sides of your cube and cut it out (with adult help).

The 'story' you decide to tell about yourself on your cube is completely up to you. It can be a picture, a pattern or both! The media you use is also your choice. Whatever you do, please just leave the black face as it is. Please write your name on the back and we look forward to seeing what you have created on the first day of the new academic year! Thank you, Mrs Greenaway
