

Thameside Primary Emergency Procedures

Fire Alarm

In the event of the fire alarm sounding please leave the school buildings by the nearest fire escape route and assemble on the playground.

Lockdown

Partial Lockdown Alert to staff: 'Partial shelter now'

Full Lockdown Alert to staff: 'Full shelter now'

In the event of a lockdown alert, stay indoors, in the room/classroom that you are in. If you are outside when the alert is raised, make your way to the nearest classroom or hall.

An e-mail will be sent to 'All Staff' giving instructions as to what to do – please ensure this is checked and not on the screen for the children to read. It is therefore important that a computer is always logged on (and e-mail accounts opened) during teaching sessions. Internal phones or mobiles may also be used for communication.

If you are with children it is important to:

- * remain calm
- * reassure them
- * remind them to follow your instructions

Thameside Primary is committed to safeguarding and promoting the welfare of children. We require all staff and volunteers to share this commitment.

This leaflet has been compiled to ensure you understand what is expected of you.

Please ask any of the contacts named in this leaflet if you are unclear about any of the contents. Please keep the leaflet in a safe place for future reference.

If you are worried about the safety of any child in our school, you must report this to the Designated Safeguarding Lead (DSL), Mrs S Greenaway.

All DSLs wear green lanyards.

**Safeguarding advice
& safety information
for staff, visitors,
contractors and
volunteers**

2026-27

Our **aim** is to provide a safe and secure environment for our pupils, staff, volunteers and visitors. At Thameside, we are committed to safeguarding and meeting the needs of children. We hope this leaflet will provide some useful advice and information for those working with children at within our school.

Security of Pupils, Staff, Volunteers and Visitors

All members of staff are required to wear Thameside Primary identity lanyards at all times. All visitors should report to Reception on arrival and sign the Visitors' Book, showing proof of identity if appropriate. They will then be issued with a visitors' lanyard and door fob which should be worn and visible at all times.

Lanyards we issue:

RED: no DBS, 1:1 supervision at all times

AMBER: no current DBS but has been applied for and personnel risk assessed

BLACK: all checks completed

What are my responsibilities?

All those who come into contact with children through their everyday work, whether paid or voluntary, have a duty to safeguard and promote the welfare of children.

Disclosure and Barring Service

All staff and regular volunteers will require an Disclosure Barring Service Certificate (DBS). This is to ensure that unsuitable people are prevented from working with children. If you do not have an DBS certificate, you will not be allowed to work unsupervised with children.

The school will determine whether a DBS check is required based on an individual's role, level of supervision and opportunity for contact with children. Visitors and volunteers must follow the school's safeguarding procedures at all times. Where appropriate, the school may verify existing DBS certificates, including those obtained through the DBS Update Service.

Safeguarding Advice for Staff, Volunteers and

Visitors

Thameside Primary School has a Safeguarding and Child Protection Policy which is updated annually. This is available to read on our school website. Please ask a member of staff if you would like a paper copy.

All staff and volunteers must have safeguarding training before working with our children.

What should I do if I am worried about a pupil?

If you become concerned about a child because of something they say, a mark, injury or change in behaviour, presentation, attendance or wellbeing, or because of concerns relating to neglect, domestic abuse, exploitation, housing insecurity, temporary accommodation, or online safety (including bullying, harmful content, extremist material, misinformation, disinformation, inappropriate social media use or AI-generated content), you must report this immediately to the Designated Safeguarding Lead (DSL) or a Deputy DSL.

Concerns about child-on-child abuse, including bullying, harmful sexual behaviour, inappropriate language, online abuse or unwanted physical contact, should also always be reported to a DSL.

Never assume that somebody else has reported a concern. If you are a visitor, please ask to speak to one of them by going to the school office.

What should I do if a pupil discloses that s/he is being harmed?

Although the likelihood of this is small, it is important to know what to do in such an eventuality, as children rarely lie about such matters.

Remember:

Listen carefully.

Stay calm.

Do not investigate.

Do not ask leading questions.

Reassure the child.

Never promise confidentiality.

Report immediately to a DSL.

Record concerns as soon as possible.

Never:

Promise to keep a secret

Investigate concerns yourself

Delay reporting a concern

Question a child repeatedly

Assume somebody else has acted

Immediately record details of the disclosure, including whenever possible the exact words or phrases used by the pupil, and give this information to the DSL or Deputy DSL to enable the matter to be dealt with in the most appropriate way. Please ensure you sign and date the record.

Remember: all children need a voice. If a child you have concerns about has SEND or does not speak English, then please tell the DSL and the AHT of Inclusion immediately.

What should I do if the alleged abuser is a member of the school staff? You should report such allegations to the DSL or the Deputy DSL in their absence.

What should I do if the alleged abuser is the Headteacher? You should report such allegations to the Deputy DSL who will notify the Chair of Governors.

How do I assure that my behaviour is always appropriate?

- Maintain a professional approach towards pupil wherever and whenever you are in contact with them. Always be careful about physical contact with pupils.
- Social contacts outside school should be kept to a minimum. It is risky to use the same social venues as pupils.
- Volunteers should never be alone and isolated with a pupil.

Mobile phones and cameras

· Mobile phones should not be used around the children. Where possible, they should be kept in cupboards and lockers and only used when necessary. They must not be used in class or on the playground when the children are present.

· Staff and volunteers should not use personal equipment to take photos of children. If on a school trip, please ensure that you have a school device such as an iPad to take photos.

· Photos of children should never be stored on personal equipment; they should always be saved on school computers and drives.

Social media: As a professional who works with children, you need to take extra care to ensure that you don't inadvertently make your personal information available to the child(ren) or parents of the child(ren) that you work with. This could leave you open to false allegations, misinterpretation, or the possibility of cyber bullying. Do not accept friend requests from any parents or pupils.

Please help us to safeguard children in our care by following these guidelines.
